

Antra Balode list of publication on *Lilium* in English

1. Balode A. (2016) Assessment of flowering time and *Botrytis* resistance in *Lilium* spp. International scientific conference “Formation of urban green areas”, Klaipeda, Lithuania 27.04.-28.04.2016, Klaipeda State University of Applied sciences. Scientific articles, 2016. 1 (13), p. 19-24.
2. Balode A. (2013) Lily trial in the Latvia University of Agriculture. *Acta Horticulturae*. Proceedings of the International Trials Conference. Vol. 980. 43-48.
3. Balode A. (2012) Effect of microbiological products on bulb development of *Lilium* spp. in scale culture. *Floriculture & Ornamental biotechnology*. Global Science Books, Vol. 6, Special Issue 2. 158–160.
4. Balode A. (2012) Biocontrol of grey mould in Lilies spp. by *Trichoderma* spp. and *Bacillus* spp. *Acta Horticulturae*. Proceedings of the International Symposium on advances in ornamentals, landscape and urban horticulture, In Proceedings of the XXVIII International Horticultural Congress on science and horticulture for people, Vol. 937. 583-587.
5. Balode A. (2011) Effect of biological product trihodermin B-J on botrytis suppression and lily bulb development. *Acta Horticulturae*. Vol. 900. 89-94.
6. Balode A. (2010) Effect of trihodermin, biological product against *Botrytis* in horticultural crops. *Acta Horticulturae*. VI International postharvest symposium, Vol. 877. 1583-1588.
7. Balode A. (2010) Phenotypic analysis of hybrids and their parents in *Lilium* spp. breeding. *Research for Rural Development 2010*, Jelgava, LLU, No1. 65-70.
8. Balode A. (2009) Breeding for resistance against *Botrytis* in lily. *Acta Horticulturae*. XXIII International EUCARPIA symposium, Vol. 836. 143-148.
9. Balode A. (2008) Applying colchicine and oryzalin in *Lilium* L. polyploidisation. *Agronomijas Vēstis*. No. 11. 22- 28.
10. Balode A. (2008) Investigation of polyploidy in the breeding of lilies (*Lilium* spp.). *Research for Rural Development 2008*. International scientific conference proceedings, Jelgava, LLU, 347-352.
11. Balode A. (2007) Color analysis of flowers in *Lilium* sp. breeding. *Acta Horticulturae*. Vol. 755. 213-217.
12. Balode A. (2007) Variability of wild martagonlily (*Lilium martagon* L.) in the region of Kurzeme. Proceedings of the International scientific conference „Research for Rural Development 2007”, Jelgava, Latvia, 50 – 56.
13. Balode A. (2007). Diversity Assessment of *L. martagon* in Latvia and Application in Breeding. *The Lily Yearbook of the North American Lily Society*, No. 60. 39 – 48.
14. Balode, A. (2006) Lilies in Latvia, *The Lily Yearbook of the North American Lily Society*. No. 46. 46 – 49.
15. Balode A. (2005) Lilies (*Lilium* L.) in Latvia – genetic resources. *Journal of the Latvia Agronomy*, No. 8. 306-310.
16. Balode A. (2005) *Lilium* culture and practical application in landscape design and gardening. *Zeldiniai ir ju dizainas*. *Viniaus Kolegija*. 83 – 88
17. Balode A., Beļicka I. (2004) Estimation of *Lilium* resistance against gray mold (*Botrytis Micheli* ex.Fr.). *Agronomijas Vēstis*. Nr.7. 134-139.
18. Grauda D., Balode A. (2004) Use of *in vitro* methods in interspecific hybridization of *Lilium*. *Latvijas Universitātes Raksti, Bioloģija*. Nr.676. 167-172.
19. Balode A., Belicka I. (2001) Estimation of some traits in hybrid seedling populations of *Lilium*. *Latvijas Lauksaimniecības universitātes raksti*. Nr.4. 50-55.

20. Balode A. (1999) A study of Lily Botrytis resistance. The Lily Yearbook of the North American Lily Society. Vol. 52. 61-65.
21. Balode A. (1997) Breeding of disease resistant lily cultivars in climatic conditions of Baltic State. Proceedings of the 1997 Pacific region International *Lilium* Conference. - Burnie, Tasmania, 31 January - 3 February 1997. 54-56.
22. Balode A. (1996) Lily breeding and introduction in moderate climates. Proceedings of the International symposium on the genus *Lilium*. Taejon, Korea (August 28 – September 1, 1994). Acta Horticulturae. Vol. 414. 55-58.
23. Balode A. (1992) Wild and cultivated Lilies in Latvia. Acta Horticulturae. Vol. 325. 853-859.
24. Balode A. (1992) Lily growing in Latvia and *Lilium Balticum*. Lilies and Related Plants. RHS Lily Group. 128-133.
25. Balode A. (1991) Lily species in the Caucasus. The Lily Yearbook of the North American Lily Society. 44. 12-14.
26. Balode A. (1989) Selective Hybridizing of lilies in Latvia. The Lily Yearbook of the North American Lily Society. Vol 42. 68-69.
